WORK EXPERIENCE

3D Modeler

Freelance

06/2024 - Present

Achievements

- **Designed 3D models of objects and prototypes** using Blender, building a solid foundation in modeling by focusing on clean geometry and **essential design principles**.
- **Strengthened foundational 3D modeling skills** by practicing core Blender tools including object transformations, modifiers, and sculpting techniques.
- **Rendered 3D assets for personal projects** using Blender by experimenting with materials, lighting, and camera settings to **improve visual presentation**.
- Created **15+ high-quality 3D assets** using Blender for **web and game projects**, optimizing models for performance without sacrificing visual quality.

Frontend Developer

Freelance

01/2023 - Present

Achievements

- **Portfolio** - <https://sohibakthar-portfolio.netlify.app/>
- **Built and maintained 5+ responsive web pages** using HTML, CSS, JavaScript, and **basic React components** to enhance **interactivity** and **user experience**.
- **Developed a fully responsive restaurant website** with 5+ sections including menu, gallery, and contact form using **HTML**, **CSS**, and **JavaScript**.
- **Website** - <https://suhaif-projects-01.netlify.app/>
- Designed and developed a **mobile-friendly landing page** for a sports equipment shop to **enhance usability** and **visual appeal**.
- **Implemented Git and GitHub workflows** for version control, enabling seamless code updates on the restaurant website, resulting in **95% faster** deployment times and **improved team collaboration**.

PERSONAL PROJECTS

Ecommerce Website (01/2025 - 04/2025)

- Launched a **fully functional eCommerce website** featuring product listings, responsive grid layout, and basic checkout functionality. Strengthened frontend skills by **30%** using **HTML**, **CSS**, and **JavaScript**.
- Website Link - <https://suhaif-projects-01.netlify.app/>

LiFi Technology (06/2022 - 11/2022)

- **Enhanced wireless communication speed by 80%** in a prototype system using LiFi technology for short-range data transfer.

CERTIFICATES

Frontend Development - HTML & CSS (01/2024 - 02/2024)

Basics of Python - Infosys Springboard (08/2023 - 09/2023)

Introduction to Python for data science (01/2023 - 06/2023)

Infosys Cyber Security (07/2022 - 12/2022)

Cisco Certified Network Associate(CCNA) (01/2022 - 06/2022)
